I'm not ashamed  
to say  
I hope it  
always will  
stay this way

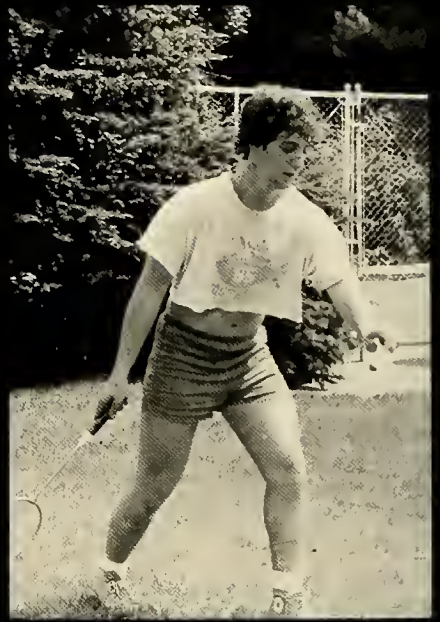

And when we both get older  
 With walking canes and hair of gray  
 Have no fear even though it's hard to hear  
 I will stand real close and say  
 Thank you for being a friend

After last year's 9-0 season, there was a bit of mixed feeling on the outcome of this year's squad. But with seven returning starters the Pioneers posted a reputable 8-2 record.

After an opening day victory over a strong Northbridge club and the addition of place kicker George Papoutsides from the soccer team, enthusiasm for another fine season started to permeate the minds of fans and coaches. Both Pioneer losses to Westfield and Keene (both played for their respective division I championships last year) were games in which the Pioneers were equally as strong physically, but made costly mistakes.

Most of the success of the teams record can be attributed to the fine passing of Mark Palmerino and the fine catches of both Mike Morrill and Craig Walker. The Pioneer running game, unlike past seasons, was inconsistent. The Pioneers also had their share of injuries. Joe Bonadies missed the first couple of games with a thigh injury. Rich Lopata injured his knee in the St. Peters game and Steve Kaitbenski dislocated his shoulder during the Auburn game. They were both lost for the season.

With this season's 8-2 mark, Coach Don Marino, in his 20th season as head coach, boosted his over all record to 125-44-3.

Border all-stars are Mark Palmerino, Mike Morrill, Joe Bonadies, Peter Holden, David List, Keith DiGregorio, and George Papoutsides. The Telegram and Gazette super teamers are Peter Holden and Mike Morrill.

## Pioneers hold off the Warriors for 27-10 drubbing

It was the big plays by the Pioneers that gave them a hard-earned victory over their rival, the Tantaqua Warriors. When it looked as though the Warriors were gaining momentum offensively, the Pioneer defense rose to the occasion. The Pioneer running game was not up to par, only gaining 74 yards in 32 carries. It was the passing of Mark Palmerino (6-12, 109 yards) that kept the Pioneers on top. Joe Bonadies (2 tds), Craig Walker (1 td), and Mike Palmerino (1 td) scored for the Pioneers.

## Crush Bartlett, 39-20

For the first five minutes of this year's 60th annual Turkey Day Classic, many of the 4000 fans crowded at Dresser Street field feared that the Pioneers were on their way to their first loss of the seventies, at the hands of the Bartlett Indians. They capitalized on two Pioneer mistakes to take a 14-0 lead. But that did not last long as the Pioneers, behind the passing of Mark Palmerino (12 for 19, 215 yds), scored 39 unanswered points en route to their tenth straight Turkey Day victory.

Mark was voted MVP for his outstanding performance. Special recognition should also be given to Craig Walker (2 tds), Joe Bonadiaz (1 td), Jack Santilli (1 td), and George Papoutsides for his 35 yard field goal.

Of their overall record this year (3-8-3), Coach Wally Gosk said that "On the surface it doesn't appear to be good; but considering that we were involved in 14 games and 6 of them we didn't lose, it was encouraging."

"We had our problems . . . best offensive player George Papoutsidis went to the football team . . . Captain Greg Tsongalis got appendicitis . . . Chuck Fournier was injured preseason . . . Steve Peck (moved up from J.V.'s) broke his leg . . . We never had a full team."

Nevertheless, the "defense played well" and "we expect to rebound next season" as J.V. Coach Kruczek's team boasted a 6-5-2 record.

Rick Courtemanche and Bob Ravenelle were elected to the Border Conference All-Star Team.

"We had an all-around good team this year," says Coach Jill Normandin of her field hockey squad. "The entire team was very aggressive and worked as a unit." In these respects, she points out, they were superior to last year's squad. She further adds that everyone gave "100 % all of the time."

The defense was led by Cindy Beaudreau, while Jojo Lambert tended the goal as dynamically as ever. "Jo is very quick," states Normandin. "She's the best in the league." The coach also mentions Patty Giguere as being "an excellent ball handler."

The team recorded six shutouts this year, many for which "Cindy was responsible." The season was highlighted by 1-1 tie against the tough Auburn squad. The Pioneerettes wrapped up their season with an 8-4-2 record.

For the third consecutive year Jojo Lambert was elected to the Border Conference All-Star Team. Joining her were teammates Cindy Beaudreau and Kathy Laferriere.

Scorers included Kathy Laferriere (18), Julie Jarvis (7), Cindy Beaudreau (6), Denise Bernard (5), Patty Giguere (2), and Patty Bibeau (1).

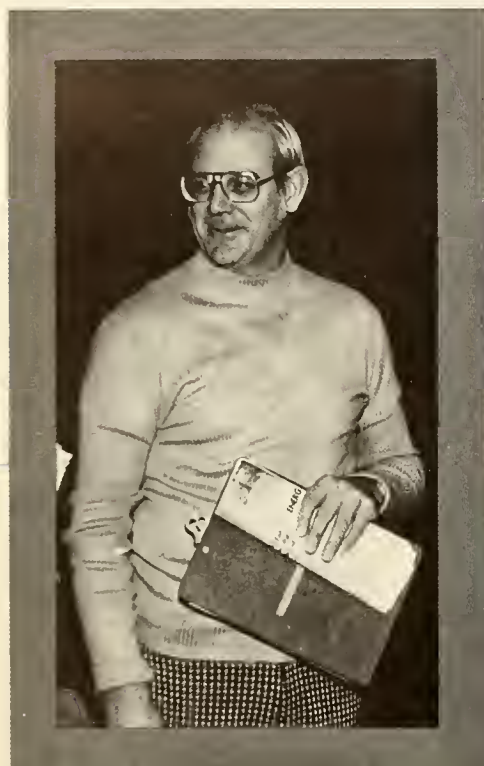

"... extremely successful" is the way Coach Leduc described his season. "We didn't expect to even be competitive," he stated. However, his boys turned in an 8-3 record, and just missed qualifying for the Districts. The highlight of the season the victory over Monson, who had challenged the Pioneers with a 10-1 record.

Top runners were Sr. captain Jason Burnham (Border Conference All-Star), Jrs. Bobby LeBel, and Louis Rodriguez, and Freshman Glen Corbitt, Henry Hernandez, and Richard Julien. LeBel was elected captain of the 1980 team.

Coach Gately had expected a better season than what the team gave her. She stated, however, that they had several disadvantages to overcome. "We had a week layoff in the middle of the season (2 games were cancelled the same week) — and when you only have 8 games in the entire season, that hurts." She also feels that the game is a "psychological one. You only score when your opponent makes a mistake" and added that "when the girls got behind, they couldn't bounce back" and consequently "dug themselves into a hole." Lack of depth also hurt — "I didn't have enough players to substitute." If she maintains this coaching position next year, Gately plans on "recruiting from gym classes."

## Hockey

So far this season, the Pioneer skaters have turned in an incredible 10-1 record, owing largely to the outstanding goaltending of Srs. Rich Wetherbee and Joe Bonadies. The only loss they suffered was to the Grafton Indians. Of their nine victories, three have been shutouts, and in five they allowed their opponents to score only once. With their recent 5-3 victory over the unbeaten Oxford Pirates, the Pioneers are now in first place in the Southern Worcester County League.

What looked as though would be a promising season for the Pioneers, turned out to be one of turmoil and confusion. Head Coach Ron Givanello resigned and Jim Kane took over his position.

At the present time the Pioneers have a 5-6 record. Their most recent loss was at the hands of the Quaboag Cougars by 3 in overtime, a game in which high-scoring center Kevin Krupinski (23 ppg) could not take part because of an injury, delaying his attempt at reaching the one thousand point plateau.

The stage was set perfectly — the game was home, the stands were packed. The opponent — Bartlett High. Late in the second quarter, Special K answered his fans' plea. He scored his seventeenth point of the game to put him over the coveted 1000 point plateau. The stands erupted in a wild frenzy of screaming and cheering. The game was stopped and Krupinski was awarded the game ball. He wrapped up the game with a career high of 41 game points total, although the Indians squeaked by Southbridge for a 72-71 victory.

1109 pts.

It appears the Pioneerettes Basketball squad is on their way to a first place in the Border Conference this season. So far, they boast an impressive 9-4 record and are 7-0 in the Border Conference. Coach Theodoss sites their victory over arch rivals Bartlett Indians as the highlight of the season. He also noted their "impressive victory" over North Brookfield. The Pioneerettes had not beaten them for the past two seasons. If the Pioneerettes continue at their present pace, a District III birth is almost a guarantee.

The Pioneerettes ended regular season play by sharing the Border Conference title with North Brookfield. The girls went on to the District title game, knocking off top-seeded Algonquin, 56-45, in the process. Despite Cindy Beaudreau's 30 points, the Pioneerettes fell to Ayer High 58-51 in the final. Special recognition should be given to center Cindy Beaudreau, who scored a total of 87 points (average of 28 points per game), in the three District games. She finished the season only 64 points shy of the 1000 mark. The Pioneerettes turned in a season record of 16-6.

The Pioneerettes followed up their slow 5-4 start with ten straight victories. Included in these wins was a 7-6, ten inning game against previously unbeaten Monson. The Pioneerettes scored an average of 14.3 runs a game and allowed their opponents an average of only 7 runs per game.

When the girls went into the Districts, it was with a formidable 15-5 record. They swept the first game against Holy Name 10-7. The second, however, ended in a Pioneerette defeat when Bartlett came from a 6-0 deficit to win by three runs.

Mona Kantorski (left fielder), Cindy Beaudreau (3rd baseman), Patty Giguere (pitcher), and JoJo Lambert (shortstop) were elected to the Border Conference All-Star Team.

The boys' track team turned in an excellent season this year. They were enhanced with several players from the baseball team, such as high jumper Luis Pena and sprinter Jimmy Bellerose. The season was highlighted with a victory over a very strong Shepherd Hill team. The Pioneers ended up 2nd in the Border Conference, and sent Jimmy Bellerose (among others) to Districts, where he won the Division III Class C 100 yard dash. He then moved on to capture a 5th place in the State Championship.

## Editors-In-Chief

Donald Kimball, (Co-Editor Sports)  
Cathy Marinelli, (Editor Faculty)

We would like to extend our gratitude to all the dedicated people that made our yearbook possible: our representative, Linda Miller, from Hunter Publishing; Mr. Desroches and Mr. Morley for their cooperation and assistance throughout the year; the business coordinator, Mr. Welch, for his time and patience. Without the unending guidance and dedication of Miss Donna Reid, this yearbook would not be possible. We, as well as the staff, would like to extend our deepest appreciation to her. She took over the responsibilities of advisor and shared this learning experience with the staff, helping an inexperienced but dedicated group to produce a reputable yearbook.

The editors of this year's book have put in much of their personal time and have put many other obligations second. When crucial deadlines approached, we could always rely on one another for assistance.

As editors-in-chief, our experiences have varied greatly. We have learned to take criticism, realizing that it has been to help improve ourselves. As seniors,

we realize that this is vital in order to succeed. We have begun to realize that life is an unending process of growths; we have taken our first steps in that awareness. We hope this yearbook will serve to bring that awareness to you.

Sincerely,

*Donald Kimball*  
*Cathy Marinelli*
